# Volunteers needed!!

One of our major fundraisers for our club each year is running the gates at the Top End Mud Racing Assoc. each month during the season (October to April).

As a club we are responsible for the gate takings for each meeting, the only stipulation is that you must wear fully enclosed shoes as you need to gain entry through the pits. You are required for approximately 3 hours from 5.30pm to 8.30pm and are welcome to stay on and watch the mud racing.

The 2 top gates will need 2 people each (at least 1 Adult)

The role includes:

- Checking the float
- Selling entry tickets (cash/eft) or hole punching membership cards on entry
- Tallying up takings after closing the gates.

This is an easy fundraiser for the club however we are unable to do it if we do not have the volunteers.

**Race dates remaining for this season are:**

- 22 February 2020
- 14 March 2020
- 4 April 2020

Please let your class coordinator know if you can help out.
